Living Word Academy

Student Code of Conduct

2026- 2027

**Introduction**

Living Word Academy is a ministry of Viva Church that provides its students with a college preparatory education, building them up in body, mind, and spirit. Living Word Academy offers students the academic and Biblical keys to life after high school.

## Our Mission

Living Word Academy's mission is to provide a Christ-centered education that empowers students to excel academically, thrive socially, and grow spiritually.

## Our Vision

Living Word Academy's envisions a community where students are inspired to embrace their God-given potential, equipped with knowledge and skills to impact the world, and grounded in their faith to lead lives of purpose and service.

A Student Code of Conduct has been established to help students, parents, and school personnel understand the guidelines and expectations for maintaining a safe, Christian, and orderly learning environment. It applies to all LWA Elementary-Middle-High School students. Each LWA student must always adhere to the Student Code of Conduct:

- While on school grounds
- During school-sponsored events, including, but not limited to field trips, church functions, athletic functions, and similar activities.

While students may be disciplined for infractions according to the responses outlined in the Student Code of Conduct, please be aware that there could be additional consequences through law enforcement for acts that violate the law.

All students are expected to always demonstrate the following behaviors and/or characteristics:

## **R.O.A.R.**

**Responsible -- Organized -- Achiever -- Respectful**

### **In Loco Parentis**

State and federal law recognizes that teachers and school administrators have a need to stand in the place of parents over children entrusted to them at school. This is a legal concept called in loco parentis. While this authority is not equal to a parent's authority over a child, it does permit school personnel to exercise a degree of supervision and control over students while students are on school grounds or attending a school activity. Section 1003.31(1), Florida Statutes, also recognizes that students are under the control and direction of the principal or teacher in charge of the school. This authorizes school personnel to search without a warrant based on reasonable suspicion and are not held to the higher standard of "probable cause" by which law enforcement is bound. This concept authorizes school personnel to question a student without providing the student with Miranda warnings or allowing the student to call a parent or attorney.
